

Мастерим подарок для

Деда Мороза!

**В канун Нового
года в нашем ДОУ
открылась
мастерская для
Деда Мороза, а
дело было так:**

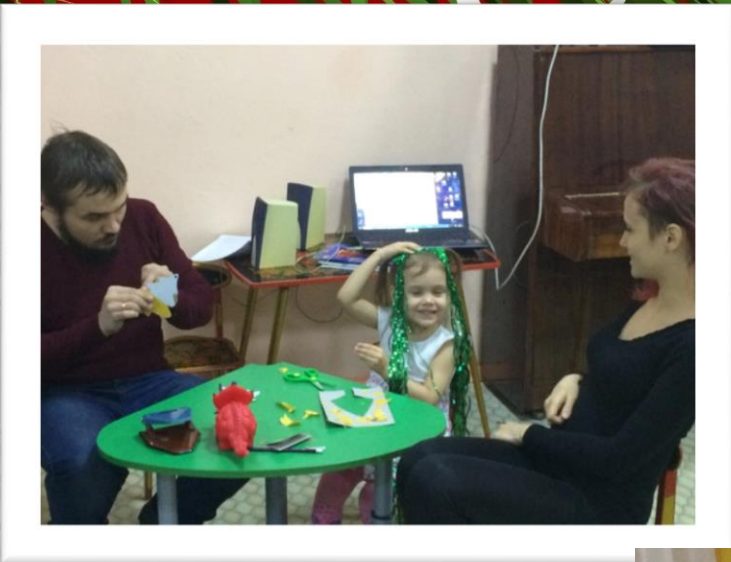

The background is a light blue gradient with a pattern of white snowflakes and soft, out-of-focus circular bokeh lights. In the top right corner, there is a decorative arrangement featuring a green pine branch, a white flower, a blue ribbon, and several shiny blue spherical ornaments. At the bottom, there are white wavy lines that sweep across the width of the image.
